

Luther Crest Bible Camp Scholarship Application Form

Thank you for your interest in Luther Crest! Through generous donations, we are pleased to offer this option for campers needing assistance.

It is our practice to work with the family and church, so that together, we can collectively cover the cost for every camper. Carefully consider what portion of the camp fee you can pay and indicate that on the form. We know that personal investment increases expectation. Campers who pay a part of their own way get more out of the camp experience.

Submission of Application: Applications are considered on an ongoing basis. To be considered, have your church complete the church information section and **submit your application at least two weeks prior to your camp**. Return applications electronically to: lcbsc@luthercrest.org

Notification: If funded, you will receive email notification no later than 2 weeks after the application was submitted.
