

Luther Crest is called and committed to be a Christ centered ministry through creation and community.

## **Asst. Food Service and Hospitality Manager**

Responsibility to the Food Service Manager

### **Qualifications**

- Have a commitment to the ministry of the ELCA and its expression at Luther Crest Bible Camp and to follow Luther Crest's mission and philosophy statements
- Have prior cooking experience for small and large groups and the ability to use your hands, stand for long periods of time and manage stressful situations.
- Understanding of the State of Minnesota rules and laws governing food and meal preparation
- Flexible work schedule throughout the year including nights and weekends to provide necessary meal service
- Must hold Safe Serve or have the willingness to receive the certification
- Be able to lift up to 25 lbs and over 25lbs with proper training and education.

### **Job Description**

#### **Retreat & Summer Ministry Programs**

- Prepare meals, side dishes, desserts and baked goods as requested, interpreting and following the menus and recipes provided
- Maintain a clean, orderly and sanitary food service area according to Minnesota Department of Health and the American Camping Association Standards and Rules
- Assist in maintaining proper inventory of food and meal supplies
- Supervise summer kitchen staff when needed
- Assist in overall hospitality of our guests

#### **Hospitality**

- Assist in the overall hospitality of camp
  - Monitoring products that enhance hospitality (e.g. cleaning products, linens)
  - Assisting in maintaining hospitable, clean, and safe environments for guests

#### **Public Relations**

- Be attentive to the broad picture of camping and the events available.
- Project the essence of Christian hospitality in all aspects of job performance
- Participate in our annual fundraising events and the overall annual fund program

Compensation and Benefits will be determined and based on experience and education through the guidelines of the Luther Crest Compensation and Benefit Structure
